

Tasty & Comfort: Customer Data Privacy Policy

Effective Date: July 2026

1. Introduction

Welcome to Tasty & Comfort. We are committed to not track the customers with the personal information or the data and we support customer right to privacy. By using our website and services, you agree to the practices described in this policy.

2. Data Collection - Say NO.

We do not collect or store the customer information which includes interactions within our AI assistant and navigation preferences. We purely depend upon the customer experience or proactive feedback and on our R&D department only to improve our service.

3. Your Privacy Your Responsibility.

For your security, we strictly recommend that you **do not share personal information** (such as home addresses, phone numbers, financial records, or sensitive personal data) within the AI chat interface or any public section of this website. Our AI assistant is designed for menu inquiries, store information and knowledge purpose's only not for handling sensitive personal data.

4. Restricted Data.

We employ New Modern Mission measures to ensure the data you provide remains unsaved or deleted or unprotected. We do not use or sell or trade your data to third parties.

5. Updates to this Policy

We may update this policy periodically to reflect changes in our services. Please check this document regularly for updates.
